

Swiss Chess Federation

Confirmation for the norm of a FIDE title

This is the certification, that FM Hochstrasser Michael
from Niederglatt ZH (SUI) has achieved a norm for the title
"international master" at the Swiss championship
2003 according to the FIDE International Title Regulations.

The results in detail are attached to this letter.

The tournament satisfies all conditions for international title tournaments.

The title candidate or his federation can apply for the title to the competent commission of FIDE, as soon as enough norms are achieved. The application procedure is described in the title regulations.
