The organizer is responsible for providing the above certificate to each Arbiter who in the opinion of the Chief Arbiter has qualified for a FIDE Arbiter norm and who requests it before the end of the tournament. If the certificate is for the Chief Arbiter it should be based on the judgment of a previously authorized official who should be an International Arbiter.

When applying for the FA title, the applicant's federation must attach to this form the Tournament Report form (IT3) and a copy of any appeals decisions.
