Confidential Report: (Comments of Chief Arbiter, failing that Organizer)

These should refer to the Arbiter's knowledge of the Laws, the Pairing Rules used and other regulations. Also his/her objectivity, ability to cope with any incidents that arose and consideration for the protection of players from disturbance and distraction.

Salman showed a good understanding of the Laws of Chess and he is well aware of the changes in the FIDE laws that are effective since January 2018, as well as the latest version of the FIDE Swiss Rules. He has, in my opinion, the level necessary to become FIDE Arbiter.
